

Certificate
No. 12730-01

CERTIFICATE

Inspecta Sertifiointi Oy has granted this certificate as proof that the occupational health and safety system of

**VTT Technical Research Centre of Finland Ltd
Espoo**

complies with the requirements of the standard

ISO 45001:2018

Certification covers

Research, new technology development, technology transfer and commercialization. Maintenance and development of national measurement standards, establishment of internationally recognised traceability to the SI, metrology research and calibration services. Manufacturing of devices for micro-, nano- and optoelectronic applications, wafer processing subcontracting services and facility maintenance (certified sites in the annex).

The certificate is issued on 2021-12-13

The certificate is valid until 2024-12-13.

Maija Vanttaja, Managing Director

The certificate is valid on condition that the occupational health and safety system of the organization remains in compliance with the aforementioned standard and the General Regulations ABC 200. The validity of the certificate can be verified on the Internet at www.kiwa.com/fi.
